

DES Architects + Engineers, a leading design firm in the Bay Area, provides an environment that nurtures growth and career advancement through staff mentoring and continuing education. DES offers a competitive salary and benefits package, a flexible work schedule plus lots of fun events and special services. We are presently looking for a dynamic individual for the following position:

JOB TITLE: ARCHITECTURAL INTERIOR DESIGNER

POSITION: full-time

JOB OVERVIEW:

The Architectural Interior Designer is responsible for the development and refinement of the overall project design from schematic design through construction and project close out.

DUTIES AND RESPONSIBILITIES:

- Design commercial interior projects and participate in all phases of design development
- Collaborate with new and existing clients
- Develop and oversee production of design details; research furniture options and create bid documents
- Preparation of presentation and design drawings
- Coordinate design teams
- Assist in establishment of design fees, budgets, and schedules
- Participate in marketing interviews and presentations

KNOWLEDGE, SKILLS, AND ABILITIES

- Professional Degree in Interior Design or equivalent experience
- 6+ years of interior design experience
- Skilled in AutoCAD, Revit, and handsketching
- Experience with large commercial projects from strategic planning and conceptual design through construction drawings and construction administration
- Thorough knowledge of the architectural practice with an emphasis on programming, planning, design, codes, building materials, and construction methods
- A working knowledge of structural, civil, mechanical, electrical and plumbing engineering systems
- Understanding of all current code requirements

If you meet the minimum qualifications listed above, we encourage you to apply with your resume and cover letter at: jobs@des-ae.com

About DES: For 40 years, DES Architects + Engineers, Inc. has created working, learning, and healing environments for our clients. As a full-service design firm headquartered in Redwood City, California, DES provides creative and sustainable solutions that serve the needs of clients in life sciences, technology, healthcare, education, municipalities, and the development community. In-house professional services include architecture, interior design, civil and structural engineering, landscape architecture, visual communications and LEED coordination. The company's staff values collaboration to achieve design excellence, applying creativity to each client's unique vision.

As one of the top planning firms in the San Francisco Bay Area, DES offers an integrated project approach that leads to increased accuracy, quicker project delivery, and a better use of valuable resources.
