

DES Architects + Engineers, a leading design firm in the Bay Area who believes in staff mentoring and continuing education, and provides an environment that nurtures growth and career advancement. DES offers a competitive salary and benefits package, flexible work schedule plus lots of fun events and special services. We are presently looking for dynamic individuals for the following position:

JOB TITLE: COMPUTER GRAPHIC ARTIST

POSITION: full-time

JOB LOCATION: Redwood City, CA

JOB OVERVIEW:

As an integral part of the visual communication team, the computer graphic artist will work in partnership with other artists and the architectural design department to compose realistic computer renderings of DES projects. Our renderings serve as vital pieces of visual communication that relate our designs to the user before the building is built.

DUTIES & RESPONSIBILITIES:

- Work closely with various company disciplines to translate design concepts with direction of the design team
- Produce finished animations and renderings for presentations, proposals, interviews, and promotional programs

KNOWLEDGE, SKILLS, AND ABILITIES:

- Ability to work closely in a small team environment with fast deadlines
- Expert working knowledge of Photoshop, 3dStudio Max, and Vray
- Bachelor Degree in Graphics/Visual Design
- 3 - 5 years Visual Effects industry experience
- Experience creating digital paintings of photo realistic environments based on concept art and/or photo reference
- Possess a strong understanding of light, color, and perspective
- Possess excellent artistic communication skills as well as an excellent eye for detail
- Knowledge of After Effects and Unreal Engine a plus

If you meet the minimum qualifications listed above, we encourage you to apply with your resume and cover letter

About DES: For 40 years, DES Architects + Engineers, Inc. has created working, learning, and healing environments for our clients. As a full-service design firm headquartered in Redwood City, California, DES provides creative and sustainable solutions that serve the needs of clients in life sciences, technology, healthcare, education, municipalities, and the development community. In-house professional services include architecture, interior design, civil and structural engineering, landscape architecture, visual communications and LEED coordination. The company's staff values collaboration to achieve design excellence, applying creativity to each client's unique vision.

As one of the top planning firms in the San Francisco Bay Area, DES offers an integrated project approach that leads to increased accuracy, quicker project delivery, and a better use of valuable resources.
