

DES Architects + Engineers, a leading design firm in the Bay Area, provides an environment that nurtures growth and career advancement through staff mentoring and continuing education. DES offers a competitive salary and benefits package, a flexible work schedule plus lots of fun events and special services. We are presently looking for a dynamic individual for the following position:

JOB TITLE: ARCHITECTURAL DETAILER/DRAFTER

POSITION: full-time

JOB OVERVIEW:

The Architectural Detailer/Drafter is responsible for the development of project specific details and the preparation and coordination of clear, concise drawings.

DUTIES AND RESPONSIBILITIES:

- Develop construction details that comply with the overall design intent and project budget
- Prepare complete and concise design and construction drawings including checking and coordinating details and dimensions
- Conduct existing conditions survey
- Research materials for specific projects
- Ongoing review and checking of the documents for accuracy and completeness
- Assist in checking submittals and responding to requests for information

KNOWLEDGE, SKILLS, AND ABILITIES

- Professional Degree in Architecture, a related field, or equivalent experience
- 1 to 2 years architectural experience, except for those recently graduated from a professional degree program
- Working knowledge of construction techniques and related coordinating details and dimensions
- Experience in BIM model building for building construction projects or equivalent education background
- Working knowledge of construction techniques and related coordinating details and dimensions
- Understanding of all current code requirements

If you meet the minimum qualifications listed above, we encourage you to apply with your resume and cover letter at: jobs@des-ae.com

About DES: For 40 years, DES Architects + Engineers, Inc. has created working, learning, and healing environments for our clients. As a full-service design firm headquartered in Redwood City, California, DES provides creative and sustainable solutions that serve the needs of clients in life sciences, technology, healthcare, education, municipalities, and the development community. In-house professional services include architecture, interior design, civil and structural engineering, landscape architecture, visual communications and LEED coordination. The company's staff values collaboration to achieve design excellence, applying creativity to each client's unique vision.

As one of the top planning firms in the San Francisco Bay Area, DES offers an integrated project approach that leads to increased accuracy, quicker project delivery, and a better use of valuable resources.
